ENTP News

EAST Final Conference

Partners across Europe, India, and China will join together on the 3rd, 4th, and 5th of December in Brussels to close the [EAST project](#). The conference will highlight experiences and lessons learned from Asian New Towns. EAST looks to promote an integrated approach for sustainable urban development and an improvement of capacities for local teams and stakeholders. Interested in finding out the results?

Labour Plus Final Conference

[Labour Plus](#) will hold its final conference on the 11th of December in Antwerp, BE. Roma, Irish travellers and other immigrants face heavy difficulty integrating into new labour markets. Labour Plus looks to help local authorities combat such social exclusion. Participants will discuss the various experiences assisting individuals to enter the labour market and strategies to tackle discrimination and unemployment. Want to join?

Wish to join these events? Send an email to project@pilotcities.eu !

ENTP General Assembly

On 7 November 2014, ENTP will hold a General Assembly in Brussels. The topic on the agenda for this General Assembly will be the future actions of the organization.

You can find also the minutes and the presentation given in the last General Assembly by visiting [ENTP's website](#).

EU News

Charter for Multilevel Governance: Local Authorities Are Signing Up!

Created in April 2014 by the Committee of the Regions, the Charter is a political manifesto that calls upon the public authorities of the EU regions and towns to mainstream multilevel governance. Access the charter online and sign up electronically [here](#).

Events

Open Days

During 6-9 October 2014, DG Regional Policy and the Committee of the Regions are organizing the 12th European Week of Regions and Cities, "Open Days".

Member News

Vantaa's Infochat

Vantaa Citizen Services has launched Infochat, an information service targeted at migrants. The service is meant for both people living in Vantaa and those interested in the city.

On Infochat, the counselors of Citizen Services respond to customers' questions in real time. The service offers general information on the city's services, the Finnish service system, and different possibilities to immigrate to Finland. Find out more [here](#).
